Jaunpur, Uttar Pradesh - 222170, India

OBJECTIVE

Seeking to leverage my web development skills in creating innovative solutions. I am eager to apply my proficiency in HTML, CSS, and JavaScript while gaining hands-on experience and contributing to dynamic projects in a collaborative environment.

EXPERIENCE

· octanet services pvt ltd   *August 2024 - september 2024*
As intership   lucknow, India

During my one-month internship at Octanet Services Ltd., I worked on a to-do list application and an e-commerce website. I designed user interfaces, created mockups, and implemented front-end functionality using HTML, CSS, and JavaScript. My responsibilities included developing task management features, enhancing user experience, and ensuring responsive design. Collaborating with the backend team for API integration strengthened my web development skills, problem-solving abilities, and understanding of industry best practices.

EDUCATION

· Khwaja Moinuddin Chishti Language University   *June 2021- now*
B.Tech   Lucknow, India
◦ GPA: 8.33

· Sita Ram Inter Collage Hanuhadih Jaunpur   *2019*
High school   Jaunpur, India
◦ Grade: 87.83%

· Sita Ram Inter Collage Hanuhadih Jaunpur   *2021*
Intermediate   Jaunpur, India
◦ Grade: 87.20%

PROJECTS

· Music website veervibe: *August - 2024*
Tools: [HTML, CSS AND JAVASCRIPT]   [○]

◦ Developed a dynamic music website using HTML, CSS, and JavaScript, featuring diverse music categories such as Hindi latest hits, Bhojpuri, and Bhakti songs. Focused on creating an intuitive, responsive user interface to ensure seamless navigation across genres. This project enhanced my front-end development skills and deepened my understanding of web design principles while delivering an engaging user experience.

Netflix clone: *August 2024*
Tools: [HTML, CSS]   [○]
· Developed Amazon and Netflix clones using HTML and CSS, focusing on accurate design replication, responsive layouts, and user interface complexities, enhancing front-end skills and cross-device compatibility. [○]

Tic-Tac-Toe: *june 2024*
Tools: [HTML, CSS AND JAVASCRIPT]   [○]
